Pasco Girls Kickin' It Substitutes Step Up Big In 7-2 Triumph

Story and photos by **Sam Newlon**

Pasco High School's girls' soccer team improved to 3-1 after posting a 7-2 victory against Nature Coast Technical High School on Nov. 15.

The Pirates were without key starters and played with just one substitute player the entire game at W.F. Edwards Stadium.

"We played awesome tonight with what

we had," head coach Jose Hernandez said after the win. "Nat (Nathalie Sawczuk) had food poisoning [and] Bri (Brianna Luna) is out with a foot injury. She'll be out for another three weeks. We had another injury, Bailey Boyd, who wasn't going to play but stepped up and played tonight."

With only 12 available players, the

Pirates Lose To River Ridge

Story and photo by **Vincent Pensabene**

The Pasco Pirates suffered their first loss of the season after the undefeated River Ridge Royal Knights beat them 4-1. The Royal Knights (3-0) are averaging just over six goals per game this year.

It started well for the Pirates, as senior Tyler Dueker scored early in the 11th minute on an assist from junior Nelson Campos.

But River Ridge answered with four

straight goals by the Engh brothers, Mason Marten and Joseph Moss. Dante Depecol, Marten, and Monacelli provided assists.

Pasco (2-1) played two different goalies, freshman Augustus Hoff and junior Alexis Montoya, and allowed two goals each and had three saves each. The Knights' John Sloots allowed one goal on nine shots on goal.

Martin Montoya, a senior for the Pirates, was assessed a yellow card in the 49th minute.

Pirates Team Stresses Stamina

A New Coach For Boys' Basketball

by Vincent Pensabene

After finishing 7-17 last year, the Pasco Pirates boys' basketball team is under a new head coach this season in coach Tellis Scott.

This is his first season coaching basketball in Florida, after being an assistant coach in Iowa for eight seasons. Even though this is his first season for the Pirates, Scott has high expectations for the team.

"I expect improvement, continuous improvement both offensively and defensively and to win double digit games," Scott said.

One big focus of Scott is to improve the Pirates' overall pace of the game, as he is attempting to speed it up to get more opportunities on the offensive side of the ball. He wants to be in exceptional shape in order to play both sides of the ball efficiently.

"Keep an eye out for some of our seniors including Ronney Webster, Ronald Hambrick, Will Waters, Del Burgess and Destin Cronson," Scott said. He is looking for some leadership out of the experienced players in order to complete some of the goals the team has set for themselves.

The Pirates play at home on Nov. 30, as they look to bounce back after last year's disappointing season.

During halftime, Coach Jose Hernandez listens to his team talk about their strategies for the second half.

Soccer • Continued from Page 1B

Pirates had few opportunities for players to get a bit of rest throughout the game.

"I tried my best to sub everyone out," Hernandez said. "To get everyone a breather then to get them all back in, that was important."

Despite this disadvantage, the Pirates were able to score first in the 27th minute when Jordyn Kadlub punched the ball past the Nature Coast goalie after a breakaway run.

The Sharks responded quickly with an equalizing goal. The teams remained tied until the 40th minute when Kadlub threaded a pass to midfielder Jennifer Luna who put the Pirates back on top 2-1 to end the half.

The Pirates returned in the second half as a new team. Instead of making

breakaway runs, Kadlub was passing to her teammates, which set up Luna for a pair of goals in the 10th and 13th minutes of the second half to increase the Pirates' lead to 4-1.

"She (Jennifer Luna) did pretty good," Hernandez said. "She did have a couple little hiccups there with her touches in the first half, but she stepped up and worked through her mistakes and did pretty well."

Luna added another goal to pad the Pirate lead in the 26th minute and give Pasco a 5-1 advantage.

Kadlub added two more goals in the last 10 minutes of the game to give her yet another hat trick on the year.

"Jordyn played great, she always does," Hernandez said. "She's my top forward. She just gets a little frustrated here and there, but she plays through it."

"She's a tough girl." Nature Coast's second goal came on a defensive lapse by Pasco when they allowed a Sharks forward to have a one-on-one scoring opportunity, which she capitalized on.

Because of injuries and various illnesses, the team has yet to play a game this season where the entire roster has been available. It will be interesting to see how the Pirates improve throughout the season as players return to full strength after being able to dominate teams short-handed.

The girls kept up their dominance last Friday with a 6-2 road win against Cypress Creek. Pasco is 4-1 overall, 2-0 in the district. The Pirates have scored 34 goals and given up 11 in their five games. Their next game is Monday when they host Springstead (2-3) at 7:30 p.m.

Hundreds Drawn To Alpaca Farm

Annual Open House A Success

Always alert, alpacas at the farm keep an eye out on all the people coming to visit.

by Keri McAlpine

Alpaca farmers Debbie and Narvel Pettis once again opened the barn doors on Saturday welcoming the public to learn about and interact with the curious creatures.

The owners of Sweet Blossom Alpaca Farm estimated about 1,000 people attended the event, which included a store of alpaca products, tours of the farm and opportunities to interact with the fluffy animals.

Debbie Pettis said they were able to sell a tremendous amount of alpaca fiber products during the event.

“I think lots of people will be getting alpaca socks this year as gifts,” she said.

Located at 37543 Pappy Road in Dade City, the farm is currently home

to 70 alpacas. The animals are farmed for their fiber, being sheared about only once a year.

Sweaters, alpaca stuffed animals, rugs and more are all made from the fur provided by the alpacas on the Sweet Blossom farm. After the animals are sheared, they send the fur to a fiber mill where the products are made.

Alpaca products can also be purchased online. Visit www.sweetblossomalpacas.com to browse the store and learn more about the farm and local alpacas.

Narvel Pettis, right, displays shawls woven of alpaca fiber to Monica Severance, left, and Marilyn Kierstead, both of Lakeland. This was their first alpaca experience and they said they were very tempted to purchase some alpaca products.

Sally Campbell, 15, was the recent recipient of the Youth in Philanthropy award presented by the Suncoast Chapter of the Association of Fundraising Professionals.

Helping Others Is Catching On

by Keri McAlpine

Sometimes people can be so preoccupied with their own schedules they don't always have time to help others in need. That's not the case, however, for 15-year-old Sally Campbell. A Zephyrhills resident and Pasco High School student, Campbell not only uses her free time to better other people's lives, but has allowed those around her to get involved and do the same. She was recognized earlier this month for her work through her nonprofit Sallybrating With A Cause, at a Tampa luncheon during National Philanthropy Day. She was presented the Youth In Philanthropy Award after being nominated by St. Joseph's Hospital.

Friends Sally Campbell and Nicolas Contreras recently received a \$500 Disney Be More Inspired Grant from YSA and The Walt Disney Company.

Photos Provided

The luncheon was hosted by the Suncoast Chapter of the Association of Fundraising Professionals and held at the Glazer Family Jewish Community Center. "It was very humbling and an honor ... it was very cool to see what everybody else is doing" in philanthropy, Campbell said. Currently, the Sallybrating team is preparing for another golf tournament to be held Dec. 9 at Silverado Golf & Country Club in Zephyrhills. Last year's tournament raised about \$3,000, and Campbell is hoping to surpass that this year. Campbell formed Sallybrating With A Cause about two years ago as a way to raise awareness and money for cancer patients. She routinely holds golf tournaments, poker runs, and can be found at other fundraising events with her own booth to spread the word. Although reaching out to cancer patients is her main priority, Campbell said she is always willing to help other charities whether they benefit humans or animals. "I like what I do because I like to see other people smile and I like to see the effect I'm making on their lives," Campbell said. "There's a lot of hatred happening in the world and its nice to see what I can do

to help others." She also strives to get other youth involved in community service. Earlier this year, Campbell formed her first junior board for her organization, enlisting some of her friends and best helpers to take an official role with the nonprofit. Nicolas Contreras is now her vice president with Hannah Frum as her secretary. Campbell also said her friend Jaelen Velazquez and various family members are great members of her work force for events and fundraising. "It's nice to see my friends and family wanting to be involved. They've always stepped up to the plate to help me and do whatever they can," Campbell said. "It's cool to see how my helping others has encouraged other people to help," Campbell and Contreras were also the recent recipients of a \$500 Disney Be More Inspired Grant from YSA and The Walt Disney Company. A previous recipient of this grant, Campbell said the money would go toward a dinner she hosts at Moffitt Cancer Center's Hope Lodge. The dinner provides a home cooked meal, as well as welcome visits, to cancer patients. Visit www.SallybratingWithACause.com for information on the organization and how to donate or get involved.

Pets of the Week

KATIE

Katie is a beautiful Staffordshire mix. She likes to smile and is very energetic – even kicks up the dust as she runs. When she slows down we get to see her extremely happy face. She seems quite content wandering and people watching.

PEYTON

Peyton is an adorable kitten that came in as a stray. She will receive medical care and vaccinations and once big enough she will be spayed. Her adoption fee is \$50 and that will cover all of the mentioned medical services and spay surgery.
